

FARID YAKER

Programme Officer SPP
UNEP-DITE

Farid Yaker is in charge of sustainable public procurement at UNEP, Division of Technology Economics and Industry, Paris. He manages an EC/Swiss funded project aiming at assisting 7 pilot countries implement sustainable public procurement (SPP) policies through the testing of a methodology developed by the Swiss-led

Marrakech task force on SPP.

Mr Yaker taught Agricultural economics at the University of Blida, Algeria from 1988 to 1990 before joining the international NGO Enda (Environmental development action) after the Rio summit that he attended in 1992. After managing from 1994 to 1999 an international programme on the promotion of participatory approaches in the field of urban environment, Mr Yaker took the direction of the European office of Enda from 2000 to 2007.

Mr Yaker holds a master degree in Agricultural economics from the University of California at Davis.
